About Fund for Women of the Southern Tier

FFW is the only dedicated funding source for girls and women living in Chemung, Schuyler, Steuben and Yates counties in New York State.

Fueled by its supporters, FFW channels the power of community philanthropy to break down the barriers that persistently hold women back. We award annual grants to individuals and community non-profit organizations for programs that support and empower girls and women.

Our hope is that every grant has the power to help transform a life, by giving every girl and woman the confidence of knowing that other women believe in them and are here to help.

\$2,500 FFW Scholarship Grants

Up to four scholarships awarded annually

Girls and women with specific career goals and a path for achieving them should consider applying for a FFW Scholarship. These scholarships are designed to provide support and encouragement to girls and women who have encountered significant financial barriers in pursuing their education after high school. Award criteria includes a demonstrated financial need. Preference will be given to girls and women who fall into one or more of the following categories:

\$500 FFW Individual Grants

Girls and women who may be experiencing difficulty keeping up with the financial demands that come with continuing their education should consider applying for a FFW individual grant. These grants are to be used to ease the financial burden of ongoing educational costs. Examples may include paying for college textbooks, technical supplies, assistance with past due tuition bills, fees for professional licensing exams, etc. Award criteria includes a demonstrated financial need.

When Should I Apply?

The Fund for Women Grants Committee accepts applications annually. Our grants cycle opens each November 1st. Applications must be submitted no later than March 1st to be considered.

What Happens After I Apply?
